

BONNEY LAKE LIONS NEWSLETTER FOR THURSDAY, 01-14-10

18429-89TH ST E. – BONNEY LAKE, WA 98391

Wal-Mart Information Station brings awareness of the Lions to the Community.

Wal-Mart allowed the Bonney Lake Lions to have an information/Donation Station to raise awareness to the Community about the many activities that the Lions partake in. Donation jars for the Lions 4 Kids House, Play-It-By-Ear and the White Cane Drive were placed on the information table for people to choose where they wanted their money applied. The results were: Lions 4 Kids House received \$15.86, plus loads of clothes. Play-It-By-Ear received \$21.00, and White Cane received \$25.04. Thank you Wal-Mart!

VISION IS NO JOKE!

Have glasses, but can't use them? Please consider donating them to the Lions. A number of places accept glasses on behalf of the Lions; Top Food at Lake Tapps, Wal-Mart Eye care Center, Fred Meyer, Lions 4 Kids House, Windermere of Bonney Lake. These glasses are then cleaned and sorted and turned into LERC (Lions Eyeglass Recycling Center).

LIONS 4 KIDS HOUSE

The Community has been such a huge supporter of the Lions 4 Kids house with their generous clothing and monetary donations. With that being said, there is nothing

better than our Outstanding Volunteers. Without them, the Lions 4 Kids House would not run as smoothly and efficiently as it does. Thank you.

L.H.S.U (Lions Health Screening Unit) Cancelled

Judy Freed has worked assiduously in trying to make arrangements for the LHSU to come and provide services for our local community. It was arranged that the LHSU would use the parking lot of Grocery Outlet so that the parking would accommodate the needs of the many that the unit would be providing services for. Thank you Grocery Outlet! It was determined as of late, that Mike, who drives the unit, will be out of commission for a few weeks on medical leave, so the unit for now has been cancelled. We wish you well Mike in a speedy recovery.
