WHAT TO DO WITH  
THOSE UNWANTED EYEGLASSES?

Have glasses, but can't use them? Please consider donating them to the Lions. A number of places accept glasses on behalf of the Lions; Top Food at Lake Tapps, Wal-Mart Eye care Center, Fred Meyer, Lions 4 Kids House, Windermere of Bonney Lake. These glasses are then cleaned and sorted and turned into LERC (Lions Eyeglass Recycling Center). Tom Watson is the awesome person who takes care of our Vision Care needs within our community. Currently, due to the number of people who are in need, we are having to put it on hold. Our fund-a-need is Vision Care this year, so our club hopes to be able to meet those needs - financially.

LIONS 4 KIDS HOUSE

Not many Children have come through our doors since the Month of December (due to the season). We have had a substantial amount of donations though, and some amazing

Volunteers. Our thanks to each of you for your time and dedication to helping those in need.
